## DEALERSHIP INFORMATIONAL ADVISORY **COVID-19 Updates #36**

### DEPARTMENT OF LABOR AND SMALL BUSINESS ADMINISTRATION ISSUE UPDATES

The US Department of Labor (DOL) and Small Business Administration (SBA) have each issued new guidance on issues of importance to franchised dealerships. Coinciding with the start of the 2020-2021 school year, DOL issued **advice for businesses reviewing employee requests for emergency paid sick and/or childcare leave** pursuant to the Families First Coronavirus Response Act (FFCRA). DOL has clarified the extent to which parents of children facing a variety of school opening scenarios—including all in-person attendance, a mix of in-person and remote attendance, and all-remote attendance—may be eligible for paid leave. This advice has been incorporated into [NADA's FFCRA FAQs](#). Additional information is available on [DOL's FFCRA webpage](#).

PPP loan proceeds spent on rent and mortgage interest to third parties generally are expenses eligible for forgiveness. SBA's new [forgiveness guidance](#) clarifies that **rent paid to a real estate entity owned by a borrower is forgivable only to the extent that the real estate entity makes mortgage interest or lease payments to a third party**. For franchised dealership PPP borrowers, it is likely that most, if not all, of their forgivable expenses will consist of payroll and payroll-related items versus nonpayroll expenses like rent or mortgage interest. SBA's new guidance has been incorporated into NADA's documents [PPP Loans: Use of Proceeds and Forgiveness](#) and [CARES Act FAQs](#). Dealers should contact their CPA and lender before filing a forgiveness application that relies on rent payments paid to a related real estate entity.

### PAYROLL TAX DEFERRAL UPDATE

The Treasury Department late last week issued [guidance](#) on the August 8, 2020, Presidential Executive Order that authorizes employers to **defer their obligation to withhold, deposit and pay their qualified employees' portion of the payroll tax** on wages earned between September 1, 2020, and December 31, 2020.

The U.S. Chamber of Commerce has issued a [memorandum explaining the employee tax holiday in greater detail](#). Additionally, BKD CPA and Advisors issued [guidance](#) on this order as well.

AADA is strongly encouraging dealers to discuss this matter with their tax advisor.
