

## AADA LEGISLATIVE UPDATE #3

### FEBRUARY 26, 2021

Today marked the 46th day of the 93rd General Assembly.

Of particular interest to dealers this week is the passage by both chambers of [HB1361](#) which provides that PPP loans are exempt from Arkansas Income Tax in line with the federal law. This is an important bill for businesses and is now on its way to Governor for his signature.

We continue to monitor closely the bills related to sales tax exemptions on used vehicles as well as bills related to business liability issues due to COVID 19. The full list of bills of interest is below.

AADA also finalized a draft version of a franchise bill that we are working to have introduced in the next couple of weeks. There is still some negotiating and work to sort through, and we will keep you updated on the progress.
