## AADA NEWS AND UPDATE #7

SEPTEMBER 3, 2021

### OSHA UPDATES GUIDANCE

NADA recently reported that **OSHA updated its COVID-19 guidance for employers**—[Protecting Workers: Guidance on Mitigating and Preventing the Spread of COVID-19 in the Workplace](#)—to incorporate guidance from the [CDC's July 27, 2021, revised mask](#)

[recommendations for vaccinated individuals](#). Importantly, OSHA's guidance now recommends:

- Employers should consider adopting policies requiring workers to get vaccinated. In addition, unvaccinated workers should undergo regular COVID-19 testing, wear masks and practice physical distancing.
- Fully vaccinated workers in areas of the country with substantial or high community transmission should wear masks to protect unvaccinated workers, vendors and customers. See [COVID-19 Integrated County View Data Tracker](#).
- Fully vaccinated workers who experience a known close contact exposure to COVID-19 should wear masks for at least 14 days or until they receive a negative result for a COVID test taken at least three days after the known exposure.

As a reminder, businesses in Arkansas may implement their own policies regarding mask and vaccination mandates.

Employers are urged to also pay close attention to applicable state and local laws. For more information, please see NADA's [FAQs: Dealership Health and Safety Concerns During a Pandemic](#).

## AADA OFFICES CLOSED FOR LABOR DAY

In observance of the Labor Day holiday, the AADA offices will be closed on Monday, September 6, 2021. The offices will reopen at 8:30 for normal business operation on Tuesday, September 7, 2021.
